

MedStar Family Choice

DISTRICT OF COLUMBIA

Back-to-school starts with **healthy children.**

Let's get ready together!

Make sure your children are set for the new school year.

- Schedule their yearly doctor visit, dental check, and immunizations to help them stay healthy and ready to learn.
- Between **July 15 and September 30, 2026**, children ages **3-20** can receive a **free bookbag** packed with school-supply swag.
- They may also qualify for **gift card rewards** after completing both visits.

Remember to bring the **Universal Health Form** and **Oral Health Form** to each appointment. These forms are required for school entry.

For more information or questions on how you can receive a backpack and school supplies, **scan the QR code** or visit our website at **MedStarFamilyChoiceDC.com** or call **855-798-4244**, press 1, and then press 2.

MedStar Family Choice District of Columbia complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, disability, or sex.

This program is brought to you by the Government of the District of Columbia Department of Health Care Finance.
