KNOW THE FACTS:
COVID-19 Vaccine Provider Enrollment

DC | HEALTH
GOVERNMENT OF THE DISTRICT OF COLUMBIA

WHY SHOULD YOU BECOME A COVID-19 VACCINE PROVIDER?

- Patients trust your recommendation and your staff

- Keeps patients and family members safe (prevents severe illness, hospitalization, and death)

- Convenient for patients – COVID-19 vaccine, flu shots, and routine vaccines all in one place

HOW TO GET ENROLLED

- To initiate enrollment, go to **Instructions for Completing the Agreement Online** to Complete Part A and create your Provider Profile (Part B)

- Once Part A and the Provider Profile (Part B) are complete, please email **covid-19.vaccine@dc.gov** with scanned part A and part B signature pages to complete enrollment. Manual and digital signatures are both accepted.

- You can expect a response within 72 hours of emailing the COVID-19 mailbox regarding the status of your enrollment.

PROVIDER ENROLLMENT FREQUENTLY ASKED QUESTIONS

1. **How would the public know I am providing COVID-19 Vaccines?**

   The public will be directed to use **vaccines.gov** *to help find providers who are offering COVID-19 vaccines. Additionally, your organization or facility can be displayed on DC's* **coronavirus.dc.gov/page/ get-vaccinated** *page.*

2. **How long until I can order COVID-19 vaccines?**

   You will first need to complete a series of required trainings, including gaining access to the District of Columbia Immunization Information System Vaccine Ordering Management System (VOMS) prior to receiving your vaccine.
