Provider Alert — VFC Vaccine Orders

To all MedStar Family Choice-DC contracted providers:

VFC ordering frequencies/schedules are being suspended for the months of November and December 2021. Regardless of your ordering frequency, please submit December orders as follows:

- December VFC vaccine orders must be submitted no later than Friday, December 10, 2021. Orders placed after December 10th, may not be shipped before January 2022.

Please note that it could take McKesson and Merck up to three weeks to make a delivery. Check your inventory (including flu vaccines) and submit your order along with all supporting reports. All vaccines are available in the pediatric catalog or order set in VOMS. Only one order will be approved. Confirm that all needed vaccines are included in your order before submitting.

For questions concerning this Provider Alert, please contact the MFC-DC Provider Relations department, Monday through Friday, 8 a.m. to 5:30 p.m.
