PROVIDER ALERT: HEALTH NOTICE FOR DISTRICT OF COLUMBIA HEALTH CARE PROVIDERS (MONKEYPOX VIRUS INFECTION)

Included with this provider alert is a [memorandum from the DC Health Department concerning the Monkeypox Virus Infection in the United States and Other Non-endemic Countries](#).

As of May 26th, there are no confirmed monkeypox cases in the District of Columbia. The Health Alert Notice included with this provider alert is intended to provide situational updates and to notify healthcare providers of CDC's recommendations for patient investigation, testing, and infection control. Healthcare providers should continue to monitor DC Health Alert Notice webpage for updates:

www.dchealth.dc.gov/page/health-notices
