B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

Providers are healthcare professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, prescription drugs, equipment and other services.

- ○ The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and support services.
- ○ Providers that are a part of MedStar Family Choice DC's network are called network providers.

Network providers are the providers that have contracted with us to provide services to Enrollees in MedStar Family Choice DC. The providers in our network will bill us directly for care they give you. When you see a network provider, you will pay nothing for covered services.

A Primary Care Provider (PCP) is a physician, nurse practitioner or physician assistant who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.

Specialists are doctors who provide healthcare services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- ○ Oncologists care for patients with cancer.
- ○ Cardiologists care for patients with heart conditions.
- ○ Orthopedists care for patients with certain bone, joint, or muscle conditions.

Cultural Competence training is additional instruction for our healthcare providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Office Limitation provides information on the accessibility of the office. This Directory will indicate one or more of these options:

- None (no accessibility limitations)
- No handicap bathroom
- No ramps into the building
- No handicap parking

Public Transportation indicates that the provider listed the office as located near public transportation. If Public Transportation is not indicated in this Directory, please call the provider's office for more information.

B. Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

Providers are healthcare professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, prescription drugs, equipment and other services.

- ○ The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and support services.
- ○ Providers that are a part of MedStar Family Choice DC's network are called network providers.

Network providers are the providers that have contracted with us to provide services to Enrollees in MedStar Family Choice DC. The providers in our network will bill us directly for care they give you. When you see a network provider, you will pay nothing for covered services.

A Primary Care Provider (PCP) is a physician, nurse practitioner or physician assistant who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.

Specialists are doctors who provide healthcare services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- ○ Oncologists care for patients with cancer.
- ○ Cardiologists care for patients with heart conditions.
- ○ Orthopedists care for patients with certain bone, joint, or muscle conditions.

Cultural Competence training is additional instruction for our healthcare providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Office Limitation provides information on the accessibility of the office. This Directory will indicate one or more of these options:

- None (no accessibility limitations)
- No handicap bathroom
- No ramps into the building
- No handicap parking

Public Transportation indicates that the provider listed the office as located near public transportation. If Public Transportation is not indicated in this Directory, please call the provider's office for more information.

D. List of Network Pharmacies

This part of the Directory provides a list of pharmacies in MedStar Family Choice DC's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as an Enrollee of MedStar Family Choice DC.

We also list pharmacies that are in our network but are outside of the District of Columbia. You may also fill your prescriptions at these pharmacies. For additional information, please contact MedStar Family Choice DC at **888-404-3549 (TTY: 7-1-1)**, Monday-Friday, 8 a.m. to 5:30 p.m. The call is free.

- MedStar Family Choice DC Enrollees must use network pharmacies to get prescription drugs.
  - ○ You must use network pharmacies except in emergency or urgent care situations.
  - ○ If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the MedStar Family Choice DC *Enrollee Handbook* for more information.
- Some network pharmacies may not be listed in this Directory.
  - ○ Some network pharmacies may have been added or removed from MedStar Family Choice DC after this Directory was published.

For up-to-date information about MedStar Family Choice DC network pharmacies in your area, please visit our web site at **MedStarFamilyChoiceDC.com** or call Enrollee Services at **888-404-3549 (TTY: 7-1-1)**, Monday-Friday, 8 a.m. to 5:30 p.m. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Enrollee Handbook* and MedStar Family Choice DC's *List of Covered Drugs*. Go to **MedStarFamilyChoiceDC.com** to find a list of Covered Drugs.

D1. How to identify pharmacies in MedStar Family Choice DC's network

Along with retail pharmacies, MedStar Family Choice DC's network of pharmacies includes:

- Mail-order options through CVS so that your medicine can be shipped to you.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in

another non-oral way by a trained provider in your home. These companies will be found under the Facilities section of the directory under Home Infusion.

- You are not required to continue going to the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90 day supply of your prescription drugs sent directly to your home. There are no copays for medications. Mail order pharmacy is obtained through CVS. Call our Enrollee Services Department if you are interested in enrolling in a mail order pharmacy program at **855-798-4244 (TTY: 7-1-1)**, Monday-Friday, 8 a.m. to 5:30 p.m.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. There are no copays for medications.

E. MedStar Family Choice DC's Network Pharmacies

Pharmacies are organized by State/County and then alphabetically by pharmacy name. You can go to any of the pharmacies in our network.

E1. Pharmacies

E2. Mail-order Pharmacy

With your consent, you can get prescription drugs shipped to your home through our network mail order delivery program. You also have the choice to sign up for automated mail order delivery. Typically, you should expect to get your prescription drugs within 10 business days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time or if you would like to cancel an automatic order, please contact us at **855-798-4244 (TTY: 7-1-1)**, Monday-Friday, 8 a.m. to 5:30 p.m. To learn more about mail order pharmacies, see Chapter 5 of the *Enrollee Handbook*.

E3. Network pharmacies outside the District of Columbia

You can get your drugs covered at any of our network pharmacies. This includes our network pharmacies outside of our service area.
